THREE EASY OPTIONS FOR
ADDING AN OUTDOOR ROOM

1 Glamorous

Known for its meticulously crafted teak furnishings, **GIATI** has taken the outdoor experience to a whole new level with the introduction of the **PREMIER PAVILION**. The powder-coated aluminum frame supports a canopy and drapes made with water-repellent or quick-drying fabrics from **GIATI ELEMENTS COLLECTION** of textiles. The structure, which starts at \$11,200, is protected from wind gusts by canopy vents. *Giati, 805.965.6535, giati.com.*

2 Tropical

The new **SWEETWATER CABANA** from **SWEETWATER BUNGALOWS** is an inspired combination of Indonesian pavilions, called *bales*, and *hiki'es*, Hawaiian daybeds. Individually handcrafted on Bali from sustainable hardwood, the cabanas are prefabricated for easy on-site assembly. A lightweight canopy of Sunbrella fabric, available in three colors, is included in the \$5,200 price. *Sweetwater Bungalows, 800.587.5054, sweetwatercabana.com.*

3 Modern

Need an extra bedroom, dining pavilion or yoga studio? **KITHAUS** can be all of the above. The 117-square-foot structure, available exclusively through **DESIGN WITHIN REACH**, comes flat-packed and ready for assembly, starting at \$29,500. Its insulated and prewired aluminum frame opens through dual-glazed sliding doors, and an upgraded model boasts decks, louvers and canopies made with FSC-certified *ipe*. *Design Within Reach, 415.676.6648.*
